AWPD,

We have a SAC hearing next week. OW asked that we review our budget Q&As and provide any necessary critical updates.

Non-Responsive

In the Q&A we say a response is due April 14.
Can you also take a look at the OR CZARA Q&A and see if any critical updates are needed?

Trying to get clarification on when edits are due. Likely by the end of the week if not sooner. I'll follow-up when I have a firm deadline. For now, can you please update these Q&As. Remember, they can't be longer than 1-page. The answer should be 2-3 concise bullets.

Thank you,
Kristie

Budget Officers –

We got this request on Friday to send any new, important factsheets for the Administrators April 29th SAC hearing.

- We do not anticipate sending anything forward unless you can think of an important topic that is likely to come up in the hearing for which the Administrator does not have a factsheet.
- If you think you have any critical updates to existing factsheets (out of date information, etc), please also let us know, **ideally by COB today** (whether you have them or not; not the actual changes). If the Administrator is already aware of the new information, or if the information is in the background section, we probably don't need to send those changes forward.

Hope that makes sense. Please call me if not.

Thanks,

Chris Orvin
